General Policies

Animals (except guide dogs for persons who are physically challenged) are not permitted in the building. Due to the proximity of food service, shirt and shoes must be worn in the Student Center. Roller skates/blades, skateboards, bicycles and Segways are prohibited in the Student Center. Smoking, possession of illegal substances or firearms, gambling, and removal of SC equipment or property are also prohibited inside the facility.

Unauthorized solicitation for commercial activity or donations is prohibited in the Student Center. Violators will be asked to leave the building. Authorized solicitors may not solicit anywhere but from behind the table that they have reserved. “Aggressive solicitation” i.e. approaching someone from in front of the table, shouting, or throwing objects at passing individuals will result in the vendor being escorted from the building and forfeiting the remainder of their vendor fee. Please see the Vendor Agreement Form located in the Appendix.

Persons using the Student Center are required to be considerate of other users and refrain from boisterous or inappropriate behavior. Student Center management reserves the right to monitor and respond to inappropriate behavior that may be disruptive to the mission of the Student Center. Any behavior exhibited in the Student Center that violates the law will not be tolerated and will result in prosecution.

In the interest of safety, all persons will evacuate the building calmly in the event of a fire alarm/other emergency. Student Center employees should secure all cash and lock doors before exiting the building, helping to make sure the building gets evacuated but not placing themselves at personal risk. Please refer to the Student Center’s Emergency Procedures Handbook for more information.

Student Center Advisory Council

The mission of the Student Center Advisory Council (SCAC) is to provide input on all facets of Student Center operations so that the Student Center is student-friendly, functional, and balances the often competing needs of Rice students, university departments, alumni and outside organizations. The Council is responsible for: approving policies concerning the use of Student Center facilities (from operating hours to reservation policies), advising the Student Center staff on the most fiscally responsible projects based on student interest and wishes, determining priorities for upgrades to the facilities, and working to assist the Student Center in fulfilling its mission.

The membership of the Council is representative of the users of the facility, with the majority being students. The presidents/chairs of the following organizations serve on the Council: ADVANCE, Graduate Student Association, KTRU Rice Radio, Rice Program Council, Rice Student Volunteer Program, RTV5, Student Association, and the Rice Thresher. The Student Managers of the following Student Center operations serve on the Council: Building Management, Coffeehouse, Information Desk and Willy's Pub. There is a representative from each of the following user categories as well: alumni, faculty and staff.

Event Planning Policies

The department or organization sponsoring an event in the Student Center is responsible for returning the facilities to regular use in good condition. Any items brought into the Student Center must be removed at the close of the event. Costs incurred in extraordinary cleaning, or in repairing or replacing any damaged items, must be assumed by the department or organization. Additional clean-up charges will be assessed after the event, based on the actual extent of clean-up required at $35.00 per hour of service.

Events requiring amplified sound must not disturb other events within the Student Center. If an event requires security, the group reserving the venue must submit the proper paperwork to the Rice University Police Department, who will confirm and provide appropriate personnel. Finally, any event that violates any Student Center, Rice University, municipal, state, or federal regulations may be shut down at the discretion of the Building Manager in accordance with RUPD.

Reservation Procedures

The Student Center offers many rooms of different sizes for activities including but not limited to meetings, conferences, banquets, lectures, dances, and weddings. The Student Center’s facilities are available to both
University and sponsored non-University groups and individuals in accordance with the guidelines detailed below. Special requests (made in writing) will be reviewed on an individual basis by the Student Center Director. All on-campus reservation requests must be submitted in writing or via the Student Center web site http://www.rice.edu/sc. Event requests that are incomplete or sent in another format may not be processed as quickly as those that provide all of the proper information via our website.

The Student Center Director reserves the right to limit the number of events any one group may hold to ensure the fullest use of the facilities and provide the entire University community an opportunity to use the space. The Student Center Reservationist can serve each group only to the extent possible based on the information that is supplied. Please be accurate and thorough when requesting a reservation. Your organization may accrue additional costs for last minute requests, and we may not be able to accommodate them. All reservations are subject to operating, rental, and all other cost policies as described in this manual.

We also encourage you to come to the office to make your reservation. For an appointment, call (713) 348-3778. With proper pre-planning, we can assist any group or organization in making its event a success. In an effort to accommodate University events, space in the Student Center will be reserved according to the following scheduling guidelines.

**Internal Groups - Student Organizations**

A student organization is recognized once it has completed the necessary application with the Office of Student Activities located in the RMC Cloisters. A program qualifies as a student organization event when space is reserved by an approved member of that organization and the organization is actively involved in the planning of the event. The Student Center is pleased to offer its facilities and event planning services to all University recognized student organizations at no cost to the student organization. However, fees are charged if a technical assistant is required for the event and/or to open the facility early or close later than regularly scheduled. Recognizing the difficulty in arranging for speakers and performers, student organizations may place up to 3 dates on hold for a particular event. However, 2 months prior to the hold date, the organization must confirm one of the dates and release the rest. In the event that the organization/department does not confirm their held dates, all dates will be cancelled. Internal events which require the Student Center to extend its hours of operation, if approved by the Associate Director, will cost an additional $25 per hour and may incur an early open or late close fee of an additional $25.

Student organizations may submit a maximum of 15 requests per semester to hold event in either the Grand Hall or Farnsworth Pavilion. (Organizations with membership numbers that require them to use Farnsworth Pavilion for meetings will not have their meeting times count towards the 15 event maximum.) **After the 2nd week of classes, organizations may request additional space (over the 15) if it is still available. Requests for more than 3 consecutive days in either Grand Hall or Farnsworth must be approved by the Student Center Director.**

**Internal Groups - University Departments**

A program qualifies as a departmental event when the space is reserved by a University department, the department is actively involved in the planning of the event, the majority of the attendees are employees/students of the University, and the program is charged to a University account. Recognizing the difficulty in arranging for speakers and performers, university departments may place up to 3 dates on hold for a particular event. However, 2 months prior to the hold date, the organization must confirm one of the dates and release the rest. In the event that the organization/department does not confirm their held dates, all dates will be cancelled. All university events will be billed through an Interdepartmental Transfer (IDT) unless other arrangements are made. Internal events which require the Student Center to extend its hours of operation, if approved by the Associate Director, will cost an additional $25 per hour and may incur an early open or late close fee of an additional $25.

**Internal Individuals**

Individual students who are currently enrolled at Rice University and full-time faculty and staff members may rent the Student Center’s Chapel for $400 at non-peak times and $600 at peak times. Prices may vary; check the room price list for up-to-date information. Internal events which require the Student Center to extend its hours of operation, if approved by the Associate Director, will cost an additional $25 per hour and may incur an early open or late close fee of an additional $25.
Non-Profit Groups
When a non-profit group makes a request, the space is held for 5 business days. A non-refundable $100 deposit must be received by the Student Center before or on the 5th day after the Student Center receives the request in order to confirm the reservation. Unconfirmed reservations will be released. Non-Profit events which require the Student Center to extend its hours of operation, if approved by the Associate Director, will cost an additional $50 per hour and may incur an early open or late close fee of an additional $50.

External Groups
Any group not meeting the qualifications for internal, sponsored or non-profit as listed above will be considered external. All external groups must purchase event liability insurance. The Student Center offers a policy for $200 - $300 per event through Rice University’s Risk Management office. When an external group makes a request, the space is held for 5 business days. A non-refundable $100 deposit must be received by the Student Center before or on the 5th day after the Student Center receives the request in order to confirm the reservation. Unconfirmed reservations will be released. External events which require the Student Center to extend its hours of operation, if approved by the Associate Director, will cost an additional $50 per hour and may incur an early open or late close fee of an additional $50. For all external events, full payment is required 30 days prior to the event date.

Student Organizations Co-Sponsoring an Event
On occasion a recognized student organization may agree to co-sponsor an event or activity with a non-university organization. Co-sponsorship is not intended to be a mechanism for non-university users to avoid rental and service charges; therefore organization co-sponsorship of an event or activity may be subject to the following conditions:
1) written approval of the Office of Student Activities
2) the student organization is primarily responsible for planning the event;
3) the student organization is primarily responsible for implementing and producing the event;
4) the event has a clear, direct connection and substantial relationship to the purposes of the student organization;
5) a percentage of the student organization members must be on-site and in attendance at the event or activity (at least 25% is recommended);
6) the event has logical and demonstrable relationships to the objectives and mission of the University;
7) co-sponsorship must be approved by the Faculty Sponsor for the student organization.
8) additional fees may apply for co-sponsored events depending on the facilities used.
9) recognized student organizations are generally exempt from paying the University insurance premium, however, larger events may warrant payment. The University’s Risk Manager must be consulted to determine if additional coverage is required.

Events held during Summer Sessions
Summer conferences involving housing, food service, and meeting rooms are scheduled through Housing & Dining. If you are interested in planning a summer conference, please call Housing & Dining at (713) 348-5442 to reserve housing facilities, or visit their website at http://salt.rice.edu/. Classrooms are scheduled through the Registrar’s Office at (713) 348-4999 or http://www.ruf.rice.edu/~reg/. Student Center space is available for reservation based on the above policies during summer months.

Cancellation Policy
In an effort to use the Rice Memorial Center/Ley Student Center facilities more effectively and to its fullest capacity, we request that you notify us immediately via email if you are not able to use your reserved space.

Internal Groups
All campus Internal Groups (student organizations/university depts.) will be charged a fee ($150.00 for student organizations and the cost of the room for University Departments) if a reservation for the Grand Hall, Farnsworth Pavilion, or Sammy’s is not canceled at least 2 business days in advance. In addition, the student organization will be required to pay a refundable deposit (equal to the dept. charge) to hold future reservations for the remainder of the semester.
External Groups
The Student Center must receive a non-refundable $100 deposit (which is applied to the total amount) to confirm space requests made by Non-Profit and External Groups. The total fee must be received by the Student Center THIRTY (30) days prior to the scheduled event. A prorated cancellation fee is incurred by Non-Profit and External Group event sponsors if they do not release a space in order for it to be utilized by another organization. Therefore the following sliding scale of cancellation fees will apply to University Depts, Non-Profit and External Group events:

- Cancelled > 2 weeks (10+ business days) prior to the scheduled event: 75% of facility use fee is returned.
- Cancelled >1 weeks (6-9 business days) prior to the scheduled event: 50% of facility use fee is returned.
- Cancelled <1 week (0-5 business days) prior to the scheduled event: 0% of facility use fee is returned.

Due to the nature of Chapel events, they require a longer cancellation period:
- Cancelled less than 5 months prior to the scheduled date: 50% of facility use fee is charged.
- Cancelled less than 1 month prior to the scheduled date: 0% of facility use fee is returned.

**Disclaimer**
The Student Center and Rice University are in no way responsible for items lost, stolen or damaged during any event held in the Rice Memorial Chapel or the Student Center facilities.

**Vendor Policies**
These policies are for outside groups that wish to have a space rented within the Student Center to advertise a good or service to the rice community.

1. It is the goal of the Student Center to avoid having two vendors selling the same items on the same day. Therefore, vendors must disclose all items being sold in advance. Final approval for all items to be sold will be made by the Reservationist of the Student Center.

2. The vendor agrees to send a non-refundable fee of $100.00 per table per day ($60.00 for craft vendors) for rental space. This policy will be strictly enforced. However, it does not apply in situations considered to be Acts of God (hurricane, tornado, flood etc.).

3. **Cancellation Policy:** The vendor agrees to cancel a reservation 5 business days prior to the event. If the vendor fails to cancel within this time period, the vendor will be assessed the full fee of the reservation.

4. This fee is to be made payable to Rice University and should be mailed to:

   Henny Halliburton
   Rice University Student Center-M530
   P.O. Box 1892
   Houston, Texas 77251-1892

5. All vendors must park in the designated visitor parking lots. The University is not responsible for validation or reimbursement of parking fees, tickets, towing, or damages to personal property or vehicles. You may purchase a validation from our Reservationist for $7.50.
6. You must furnish the customer a GUARANTEE OF GOODS. There is to be a sign posted identifying company name and contact information. A receipt must be available upon request, that will include: the date, description of good to be sold, unit price, and a contact phone number for the customer’s future reference.

7. All sales take place from 8:00 a.m. to 5:00 p.m. in the pre-designated areas in the Student Center. You are required to remain behind your table while soliciting. The Student Center will provide one 3’X6’ table and two chairs. Other items and services may be requested at an additional cost.

8. The vendor is responsible for administration of Texas Sales Tax and, if possible, will provide a copy of the Texas Sales and Use Tax Permit.

9. All vendors of goods and services shall be required, during any period when they or their agents or employees are present at the University, to adhere to a standard of conduct, including verbal acts or conduct, that constitute harassment of any person by reason of such person’s race, creed, religion, color, sex, sexual orientation, age, disability, veteran status, marital status or national origin.

10. The vendor must adhere to all University, city, county, state, and federal regulations.

11. Sales or solicitation, which interfere with the normal conduct of University business, are prohibited. You are to remain behind your table while soliciting. If a vendor aggressively solicits, i.e. (walks up to individuals, shouts from across the table, throws items at individuals passing by) they are reminded of the policy and if the activity continues the vendor will be asked to leave the premises. The University reserves the right to regulate the time, manner, and place of all sales and solicitation.

12. Credit Card Vending: Due to the passage of HB 85, Rice University has decided to not allow credit card vendors to solicit on campus.

13. The vendor shall provide the Reservationist with a brief history of the company to be placed on file. This document should be on the company’s letterhead and submitted to the Reservationist along with this signed agreement. The vendor is required to submit this document only once a year.

14. DELINQUENT ACCOUNTS: If the vendor has a delinquent account, the vendor will not be permitted to solicit in this facility until the account has been settled.

   The University shall require every contractor, vendor and supplier to instruct its agents and employees concerning the requirements of this Vendor Contract and to take action, including disciplinary actions to correct any violation thereof.

***If for any reason the contact information you have given is invalid and the Reservationist cannot contact you, then the Reservationist reserves the right to cancel the vendor’s reservation and forfeit your monies.

***Fees must be received by the Student Center at least 5 business days prior to the reservation in order for the space to be held. If for any reason, the vendor has not returned the vendor agreement or confirmed a date within 5 business days prior to the reservation the Reservationist reserves the right to cancel the scheduled date.

Decorations/Signage

At NO TIME can tacks, nails, or other fasteners that damage the walls or furnishing be used to affix any items or decorations to the building. This includes glass windows and doors. The use of masking tape is permissible on any surface except painted walls, glass and ceilings. The Student Center staff and Rice University are not responsible for injuries that may occur to users while an individual or group is installing or removing decorations for an event. Individuals may not stand on tables to put up/remove decorations. Please discuss your event’s decoration and signage needs in advance with our staff to ensure the success of your event. All decorating materials must be acceptable according to the City of Houston’s Fire Code. We can help event sponsors to make alternative arrangements, e.g. with easels.
Rice University and the Student Center will be held free of all responsibility and liability, financial or otherwise, involved in the presentation of any event. The Student Center is in no way responsible for any damage to or loss of equipment, decorations, etc., brought in by the Department or group.

Decorations must be removed immediately following an event. The time required to remove decorations must be included in the calculation of the “End Time” on the Facilities Reservation Form. Decorations not removed by the users immediately following the event will be disposed of/recycled at the discretion of the Student Center staff. Birdseed, rice, potpourri and other materials used to shower departing newlyweds or to decorate tables are strictly prohibited in and around the Student Center. Clean up of these materials will constitute an additional charge based on staff time required. The individual/organization responsible for the reservation will be billed for cleaning at a rate of $35 per hour (with a one hour minimum). Glitter, icicles, and other similar metallic material are not allowed in the Student Center. Candles may be used ONLY if placed in a glass container such as a hurricane lamp or ivy bowl.

Reservable Space for Event Advertising Policies
Advertising and promotion space within the Rice University Student Center and Fondren Library are primarily for the purpose of advertising events sponsored by Rice University registered organizations and departments. Persons wishing to post advertisements or conduct promotions must adhere to the following guidelines.

Reservations and Time Limits
Banners, chalking, painting, easels or other reservable spaces will be available at http://rooms.rice.edu. You need to have an account to make requests at this site. If you don not have an account please request an account http://rooms.rice.edu. Once logged in, go to the reservations area and select “Campus Event Advertising”. Space is granted on a weekly basis. Reservations are confirmed to start on Monday and end on Friday. Please request for the Monday for the week of your reservation when using on-line requesting. The only exception to this policy is the Fondren Table which can be reserved on a daily basis. Note that requests are not confirmed reservations; you will receive a confirmation if you are granted space. In most cases, clean-up and/or removal is expected to occur on the weekend following the reservation.

Banners
Grand Hall Lobby Banners
GH banners should be delivered to the Student Center Administration office by the Friday of the week prior to your confirmed reservation (see time limits above). Our staff will hang and remove banners on Mondays. GH banners will be recycled afterwards, unless other instructions are given prior to hanging. GH banners can be vinyl, cloth or paper. The size limitation is: 4 foot in width by 8 foot in height. Banners must fit into that space and can be smaller. Please consult the Student Center Facilities Coordinator for any special requests prior to making banners.

Fondren Library Banners
Reservation & Approval
Banners that contain vulgar or profane language or promote practices that violate university guidelines will be removed, as will those that contain hurtful messages directed towards individuals. Students or groups who write such messages may be in violation of the Code of Student Conduct. Banners containing these messages may not be approved and may be denied at the point of hanging or required to be removed after hanging is completed. Text of the event must be included in the request in order for reservations to be confirmed. Please note: banners advertising events with alcohol that event must be approved by Student Judicial Programs and banner wording must include information regarding food and sodas. Reservations are limited to one week per event and must be hung within the time reserved.

Supplies you must provide:
- **TWIN BED SHEET** (larger sheets will not fit due to the placement of the hooks on the library roof).
- **DUCT TAPE** to secure the ends of the sheet to the poles.
- **PAINT** that is waterproof (latex house paint or spray paint will work).

**Supplies provided for you:**
- PVC PIPES (2 inches longer than the banner on each side).
- ROPES to secure the banner at the top and bottom.

**Construction and design**
- **USE WATERPROOF PAINT ONLY!** Latex house paint and spray paint will work, but tempera will not. (You will be responsible for the cost of clean-up for any paint on the library walls.)
- VERTICAL ORIENTATION is the only way to paint your banner. If multiple banners on being hung any other orientation (i.e. landscape) will not fit.
- ALLOW SUFFICIENT SPACE at the top and bottom of the sheet to make a sleeve to slip the piping through. Begin your painting inside these parameters.
- INCLUDE THE ORGANIZATION NAME clearly on the banner. Banners will not be allowed to hang if the organization name is not easily seen.

**Hanging and Implementation**
- OBTAIN THE PVC PIPES AND ROPES by checking out the specific poles for your banner through the information desk at the Student Center. Only confirmed reservations will be able to obtain poles.
- SECURE THE SLEEVE FOR THE PIPE either by thoroughly stapling or sewing. Thread the pipes through the sleeves and secure the sheet at each end with masking or electrical tape. Thread the ropes through the PVC pipe.
- CUT SLOTS in the banner to minimize wind damage.
- TAKE THE BANNER fully constructed to the 3rd floor of the library (Karen Hyde, Library Administration, room 313 Fondren). Show them your confirmed reservation and you will be let out onto the roof. You will not be permitted to take scissors or staplers or any sharp object onto the roof. You may not go on the roof alone. Take one person with you – no more than two students are allowed on the roof at one time. In inclement weather, no one will be allowed on the roof.
- HANGING AND REMOVAL Banners may be hung Monday – Friday during office hours but before 4:30 PM. They may not be hung during inclement weather. They must be taken down no later than 12:00 PM of the Monday after the reservation. Failure to remove a banner promptly will incur a fine of $15 and the organization may lose the privilege to advertise in this manner for up to one full academic year if removal is a re-occurring problem.
- RETURN YOUR PVC PIPES AND ROPES as your organization will be responsible for the pipes/ropes that you reserved/used. Failure to return your pipes/ropes will lead to a fine and possible loss of reservation privileges. PVC pipes and ropes are to be returned to the information desk at the Student Center.

**Chalking**

**General Provisions**
Recognized student groups/offices may use chalk in designated areas of the Student Center and under specific conditions as a means of expressing their views and exchanging information. Only non-toxic, water-soluble chalk may be used. Chalking is permitted only at the north entrance by the glass doors of the RMC (however, not underneath the overhang). Chalking is only permitted on the ground and may not be extended to walls, columns, benches, tables, or part of any facility or structure. Chalk not in the reserved area will be removed at the expense of the group. Chalking that contains vulgar or profane language or promotes practices that violate university guidelines will be removed, as will those that contain hurtful messages directed towards individuals. Students or groups who write such messages may be in violation of the Code of Student Conduct.

**Duration and Clean-up**
There will be a one-week duration limit, which will include one day to clean up the chalking. If the group does not clean up the chalking, future approval may be denied and a clean up fee will be assessed. Groups can chalk as early as Sunday assuming the previous group has removed their chalk by the deadline. Groups must remove chalk on the Saturday following their reservation or before NOON on Sunday after their reservation. Failure to remove the chalk in a timely manner will result in the following fee: 1st offense - $40 fee, 2nd offense - $80 fee, 3rd offense - $100 fee and you cannot reserve space again for the academic year. Groups may chalk as early as Sunday assuming that the previous group has cleaned their chalk by the deadline.
**Glass Doors**
The glass doors leading to the Grand Hall Lobby may be reserved to publicize major functions by painting information/small artwork on the doors. Student organizations and departments can reserve space through the Student Center website for a one week period. ONLY acrylic paint may be used and paint should be on the exterior side of the windows. At least 50% of the glass must remain unobstructed and free of paint. Your organization is responsible for all paint removal on the Saturday of the reservation week. At time of removal, you should use a straight edge to peel away the paint and a Windex solution to loosen it up. If you fail to clean the windows, you will be charged $25 and may lose the privilege of painting the doors for up to one academic year.

**Grand Hall Lobby Easel**
There is a reservable easel located in the Grand Hall Lobby that may be used to publicize major functions. Student organizations and departments can reserve this space through the Student Center website for a one week period. Groups must provide a mounted poster to put on the easel. For campus policies regarding advertising please see the Student Handbook located on the Dean of Undergraduates website [http://www.students.rice.edu/students/Organizations.asp?SnID=2](http://www.students.rice.edu/students/Organizations.asp?SnID=2). Below are non-reservable space policies that include table tents and flyers/posters. Persons wishing to post advertisements or conduct promotions must adhere to the following guidelines for those types. Other policies may be created as issues arise surrounding any other forms of non-reservable advertising venues.

The staff, however, will assist patrons in locating public boards near the Coffeehouse for this purpose. Flyers with expired posting dates are removed on the 1st and 16th of every month. Only pushpins or tacks should be used on the bulletin boards. Any flyers/posters adhered to (or left lying on) any other surface will be immediately removed. If removal of these unauthorized flyers causes damage to the surface they were adhered to, the sponsoring organization will be charged for its repair. All student organizations must follow the flyer policy established by Student Activities. Failure to follow the flyer policy will result in the following fees: 1st offense - $25 fee, 2nd offense - $50 fee, 3rd offense - $75 and you cannot post flyers again.

**Location Names**
When publicizing an event in the Student Center such as on an invitation or program, the full name of each room must be accompanied by the proper Student Center title.

**EXAMPLES:** Grand Hall, Rice Memorial Center or Farnsworth Pavilion, Ley Student Center. This is to ensure proper recognition of donors who have significantly contributed to the establishment of the Student Center.

Venues located in the Ley Student Center include: Meyer Conference Room, Miner Lounge, Farnsworth Pavilion, Blair Conference Room, Kelley Lounge, and Brown Garden. Venues located in the Rice Memorial Center include: Sammy’s, Grand Hall, Wily’s Pub, Coffeehouse, Hess Private Dining Room, Holland Private Dining Room, Ray Courtyard, Rice Memorial Chapel, Bridal Room, Blair Conference Room, and the 2nd Floor Conference Room.

**Alcohol Policy**
The Student Center does allow use of alcohol under certain circumstances. All alcohol present in the building must be served by a certified alcohol server and follow all policies established by Rice University. All university sponsored, non-profit and external groups wishing to serve alcohol must use the services of Rice Catering, or Texas Alcoholic Beverage Commission (TABC) certified servers must be employed. 24 hours prior to the event the Student Center must receive a copy of either the license to sell alcohol from the caterer (if Rice Catering is not being used), or the TABC Certification Cards of the individuals who will be serving. If this documentation is not provided, but alcohol is brought into the facility, the event will be cancelled.

If departments wish to have alcohol at an event where money is collected (whether it is for drinks or a general admission), they must use Rice Catering.

Student organizations wishing to host an event with alcohol must follow the guidelines in the Student Organizations Manual (available at http://www.ruf.rice.edu/~stact/sohb/som_alcohol.html). For more information about the alcohol policy, contact the Office of Student Activities at x4097.

**Rental Equipment**

**Audio-Visual and Other Equipment Rentals**
The Student Center has a wide range of audio-visual equipment available. Student Organizations may use equipment in reserved spaces without a charge. Departments and outside organizations will be charged (please see www.rice.edu/sc for the current price list). All technical/set-up requests must be made at least FIVE (5) business days in advance of the event. These requests may not be honored if submitted less than five business days in advance. For events in the Grand Hall, Farnsworth Pavilion and Sammy’s Dining Area, technical and set up needs should be submitted at least TEN (10) business days prior to the event, otherwise staffing and technical equipment cannot be guaranteed. A list of AV Equipment and applicable charges can be found on the Reservations section of the www.rice.edu/sc.

The Student Center has equipment that can be rented for events sponsored by University departments and student organizations that are not held within the Student Center. Any person or organization wishing to use equipment outside of the SC will be charged to rent the equipment. Requests to use AV and other equipment (tables, chairs, podia, linens, etc…) in or outside of the Student Center should be made through the Student Center website.
**Furniture Rentals**

The Student Center offers use of existing furnishings to organizations with programs in the Student Center. However, only members of the Student Center staff are allowed to move furniture during or prior to an event. The sponsoring organization or department is responsible for the payment of any additional equipment or furniture to complete set ups. If the organization is renting furnishings or equipment for the event, the Student Center must receive prior notification to ensure that delivery and pick-up times coincide with the availability of the facility.

The custodial staff is responsible for cleaning the Student Center facility and room set ups. However, they should not be asked to move office furniture, or items in and out of storage; Facilities and Engineering (713/348-2485) must be contacted for these services.

**Publications Distributed in the Student Center**

Outside publications and periodicals are maintained in the Grand Hall Lobby and basement of the Student Center. All materials must be approved by the Student Center Advisory Council before a regular distribution may occur. Publications are reviewed at the first fall semester meeting of the Advisory Council at that time publications may be added and removed to the approved list.

When a student organization requests a space they must complete a form of the items and process used for the sale prior to being confirmed for the space. The form can be found on the website at: [www.rice.edu/sc](http://www.rice.edu/sc).

**Reservationist Policies for Food Sales in the SC**

**Guidelines for Food Sales & Handling**

**Item 1:** Protect food that is served:

* Keep HOT foods at 140°F or above and keep COLD foods at 41°F or below. Use insulated carriers (i.e. thermos/coolers) to keep hot/cold items hot/cold and separate from cold/hot items from each other.
* Wear an effective hair restraint e.g. ball cap or hair net. No hair spray or visors will be acceptable.
* Use individually wrapped and/or packaged foods and provide sneeze guards at display areas where food is accessible to the public.
* All food, equipment and paper products shall be stored at least 6 inches above the floor.
* No eating, drinking, smoking is allowed in the food area.
* A standard measure of time that is safe is 2 hours outside of the temperatures above. After 2 hours, items should not be sold to a consumer. Ask if you need to know more.

**Item 2:** All servers must wash hands and use sanitizers regularly.

**Item 3:** All serving utensils must remain in the container to be served from or washed, rinsed and sanitized before reuse. Using the bathroom sink is not an acceptable way to wash, rinse, and sanitize serving utensils. Unless suitable utensils are used to handle ready-to-eat foods, single-use gloves are required for all food handlers.

**Item 4:** Ice used for consumption must be from an approved source. Ice shall be held in bags until used and dispensed properly.

**Item 5:** Food contact surfaces of equipment shall be protected from contamination by consumers by using separate counters, tables, sneeze guards, etc.

**Item 6:** Provide only single-service articles for customer’s use.

**Item 7:** Do not store any food in contact with water / un-drained ice.

**Item 8:** Dispose of all liquid and solid waste properly. Dumpsters are located at the loading dock behind Brown Garden and Sammy’s.

**Item 10:** You must obviously display a sign noting that your items were not prepared in an inspected/approved kitchen (the SC Administration has a sign you may check-out/use for your sale).

**Note:** The City of Houston, Student Center Administration, or Dining Services has the right to inspect, deny, or close down an operation deemed a risk or unsafe.
Movie Showings

It is the responsibility of the event sponsors to obtain the public performance rights for any public showing of video or films. It is illegal to conduct a public showing without first obtaining the necessary license for the program. Without such license, the public showing becomes a copyright infringement and the violators can be prosecuted and held liable for fines, penalties, court costs, and legal fees upwards of $50,000 per abuse. The copyright laws apply whether you charge admission or not. There are no distinctions between profit and non-profit groups. Ownership of an individual video tape does not give one the right to show it in a public place; it is for HOME USE ONLY.

Not having the budget to pay for the license (and thus the royalties) is not an acceptable reason for renting from a local distributor and showing a video in a public area. Authors, producers, studios and lawful distributors are the copyright holders are due rightful compensation for the public showings of their creations.

Anyone connected with the illegal showing of a copyrighted film can be named in a copyright infringement suit. This includes student organizations, academic departments, organization advisors, and college officials as well as the individual who knowingly operated the equipment at the illegal showings.

Educational Use Exemption

Use of a copyrighted film in classroom teaching, other than educational broadcasting, is a public performance which is exempt from the licensing requirement if all of the following conditions are met:

• The “performance” (showing of the film) must be by the instructor or pupils.

• The performance must be a part of face-to-face teaching activities. The teacher and students need not actually be able to see each other, but they must be present simultaneously in the same general area. Although one needs to be flexible about indirect delivery of a film to a single classroom, in general, the exemption does not include remote transmission of any sort, including closed circuit or cable originating from another part of the school. (An educational broadcasting exemption exists, but does not apply to movies.)

• The performance must be a part of the teaching activities of a non-profit educational institution. The teaching activities must involve systematic instruction rather than recreation or entertainment (regardless of the cultural value or intellectual appeal of “high-concept” pictures). The presenting location must be a non-profit school of some sort. Foundations or associations or other non-profit “educational” institutions are not exempted. Neither the recreational film series presented by a faculty advisor of a college nor a face-to-face classroom instruction using The Red Shoes at a commercial dance studio is exempt under this provision.

• The performance must occur in a classroom or similar place devoted to instruction. The exemption is for classroom, not school performances. Performances during school assembly, graduation ceremony or other general school event are not exempt.

• The performance must not use a film copy which was illegally made and which the person responsible knew or had reason to believe was not lawfully made.

Please remember that showing a film without first obtaining the copyright puts the university, college, your organization and yourself at risk of liability which can include fines, penalties, court costs, and legal fees upwards of $50,000 per abuse.

Emergencies

This individual is responsible for updating the information regarding who is able to receive keys. Once authorized, individuals may pick up their keys from the Information Center. All individuals are required to sign a key card agreeing to the terms and conditions surrounding the use of keys. Keys for student organization doors require a signed key card from the information desk to request a key. **Visual Arts Program**

The Student Center’s Visual Arts Program (VAP) was established in 1998. The Rice Student Center offers space in its facility for temporary exhibits by Rice University students, faculty, staff, alumni and guests. Exhibits are cooperative efforts between the exhibitor and the Rice Student Center’s Visual Arts Program, and both parties will enter into a contractual agreement. The exhibitor appoints the Visual Arts Coordinator as agent for the purpose of exhibition and promotion of the exhibit, unless otherwise noted.

The purpose of The Gallery at Farnsworth Pavilion, according to the mission of the VAP, is to “acquire, preserve, exhibit, and otherwise make accessible works of art for the benefit of a variety of audiences.” With this goal in mind, the VAP seeks to exhibit work in the gallery space from reputable artists on and around campus. Preference is given to Rice students, followed by faculty, staff, community, and non-Rice related artists, in said order.

When an artist is chosen as an exhibitor (hereby referred to as the “Artist”), the Artist and the Visual Arts Coordinator will enter into a contractual obligation that will allow for the exhibit to take place, as well as remain insured through Rice University, if applicable. Please refer to the VAP Handbook and Manual for additional information about the exhibit contract process.
